PROFESSIONAL EXPERIENCE

Strategic Content Editor | ASME | New York, NY

Jan 2024 – Present

- Write, edit, and publish 8-12 articles per month across online and print for a membership-based engineering/STEM organization
- Developed and executed ASME's annual Watch List program across three editions, growing first-month unique users by 278% year-over-year since program launch
- Established internal guidelines for responsible AI use in editorial workflows, evaluating and vetting tools now adopted
- Translate complex engineering concepts into clear, accessible language, balancing technical accuracy with broad reader comprehension
- Conduct on-site reporting and multimedia content creation at NYC/tristate press events, producing original event coverage content
- Produce and edit podcast episodes (Adobe Audition/Podcast), managing 20+ episodes from recording through publication
- Conduct SEO research and build GA4-based marketing reports to guide editorial calendar and content planning
- Curate and edit content for multiple newsletters targeting a membership of 70,000+
- Moderate sponsored webinars and build interactive quizzes (CredSpark) and long-form features (Foleon) to drive reader engagement

Co-Founder & Marketing Manager | Chinkilla | Paderborn, Germany

Jan 2020 – Sept 2023

- Co-founded Chinkilla, a martial arts apparel and events brand for women, from concept through launch, owning brand strategy, marketing, and community growth

- Pitched Chinkilla to secure acceptance into a startup accelerator program, winning office space in a tech park, a startup mentor, and €12K in company funding
- Served as company spokesperson for German-language media, including television news, newspaper, and radio interviews, and led a business-partner presentation in German
- Delivered a TEDx talk alongside co-founder Dani Koenig, presenting the brand story to a live audience
- Built and managed the brand's social media presence, growing following to its first organic 1K maintaining 120-160 interactions per post
- Managed paid acquisition (Meta Business Suite, Google Ads) and analyzed Shopify/social performance data to optimize campaign spend and customer acquisition
- Initiated and managed a full-cycle product collaboration strategy with BJJ artist Meerkatsu, overseeing concept development, artist coordination, marketing, and launch of the brand's best-selling product design
- Planned and hosted in-person martial arts events for women, including coaching group classes to build brand community
- Recruited and coordinated appearances by active Bellator, PFL, and UFC fighters, managing international travel logistics for athlete arrivals and departures
- Translated and localized marketing and website content from German to English to support cross-market growth
- Led project management (Asana, Trello) across content, marketing, and event workstreams

SRC Content Manager | Inspire | Suffern, NY (Remote)

Nov 2018 – Dec 2023

- Owned the content calendar and publishing deadlines across a fluctuating team of 5-10 freelance writers
- Edited, proofread, and fact-checked 100+ articles annually while building the organization's in-house style guide
- Led SEO strategy and keyword implementation, across a library of 300+ published and legacy articles
- Developed sponsored and educational content supporting partnerships with leading pharmaceutical companies, including Novartis, Johnson & Johnson, and Eli Lilly
- Audited and rewrote legacy articles for consistency with updated editorial, medical, and brand standards

Content Consultant | Inspire | Suffern, NY (Remote)

Oct 2018 – Nov 2019

- Wrote and edited content supporting audience growth and retention initiatives
- Translated complex medical content, including drug mechanisms of action and condition explanations, into clear, accessible language for a general audience, maintaining scientific accuracy while improving readability
- Built treatment outlines and evaluated/rewrote existing content for quality and consistency
- Conducted SEO research and maintained the editorial style guide

Content Manager | BlueRoo | Burlingame, CA

Sept 2015 – Feb 2019

- Hired, trained, and managed a distributed content team of seven writers and editors, establishing editorial standards, production workflows, and an in-house style guide
- Spearheaded SEO initiatives and established the startup's paid social advertising strategy, launching campaigns that increased engagement by nearly 65% on Twitter and Facebook
- Created brand-specific content and supported presentations directly to major retail partners, including The Home Depot, American Eagle Outfitters, and Victoria's Secret
- Partnered with product and data science teams to build and improve shopping chatbots for retail and e-commerce partners
- Used SQL and Mixpanel to analyze content, campaign, and user-performance data and translate findings into editorial and product recommendations
- Submitted product and development requirements that improved CMS functionality and streamlined editorial workflows

Web Content Editor | BlueRoo | Amman, Jordan

Aug 2011 – Sept 2015

- Edited and published 20-30 SEO-optimized product, website, and blog content pieces per week

- Facilitated cross-office communication between MENA and California teams, aligning content and product priorities
- Authored business requirement documents and technical documentation for web application features
- Conducted QA testing of new features on staging/admin environments prior to launch
- Built SQL-based reporting for content and site performance

EDUCATION

Bachelor of Arts, English Language & Literature

University of Jordan

2007 to 2010

GPA 3.8/4
